Mrs. Effa Manley  
71 Crawford Street  
Newark, New Jersey

Dear Mrs. Manley:

I regret that we were unable to get the opportunity to discuss the proposed benefit game for the Y before you left for Chicago. The Committee of Management at Court St. is still enthusiastic over the idea and I am anxious to talk with you as soon as possible. Please inform me as to the earliest time you can see me following your return from the west.

Very truly yours,

*William R. Jackson*
